

ADDRESS SIGN APPLICATION

Deschutes County Rural Fire Protection District #2 (DCRFPD #2) and the City of Bend Fire Department are offering address signs for a cost of \$15.00. These signs comply with the Deschutes County Ordinance requiring adequate signage. Signs will be manufactured on 6" X 13" reflective stock and mounted on posts. Price includes the sign, post, line locations and installation. If a common access serves several homes, it may be necessary to order and place additional signs to clarify the location of your home.

Please fill out this application form and draw a map of the site on the back side of this form and return the form, along with \$15.00 for each sign ordered to:

**DCRFPD #2
1212 SW Simpson
Bend, OR 97702
(checks should be made out to DCRFPD #2)**

We will manufacture the sign(s) and install them to insure consistent locations and identification of your property. Please draw a sketch of your lot on the reverse side of this form showing the following: (1) Location of the residence on the lot (2) Driveway location and connection to the county road or city street (3) Approximate distance to nearest intersection (4) Special hazards on the property. If you live on a corner lot, please identify both streets bordering your property.

Property Address: _____

Number of Signs Needed: _____

Property Owner Name: _____

Phone: Home: _____ Work: _____

Please allow 4-6 weeks for manufacture & installation

Drawing of property on reverse side necessary to process application

Occasionally it is necessary for the County to change your address or road name. The DCRFPD #2 and the city of Bend Fire Department, assume no responsibility in assigning or changing address numbers. Contact the Deschutes County Community Development Department (388-6575) with questions.
