

BIKE AND BUS PROGRAM

Bend Area Transit's Bike and Bus Program lets you bicycle and ride the bus. Bike racks accommodating two bikes (three on most buses) are mounted on the front of each bus. Signal the driver that you will be loading a bike and please use the inner most position.

Racks are available on a first-come, first-served basis. Passengers are responsible for unfolding the bike rack and loading, securing, and removing the bicycle from the bus, and refolding bike rack.
