

Bend City Council
May 2, 2007 Council Meeting

Issue Summary

Finance Department Staff Member: Margaret
Echeveste

Consider approval of the second reading of amendments to the Bend Code Relating to Procedures for Public

Contracting.

Staff Review and Recommendation to Council:

Staff recommends that the City Council approve the **second reading** of the amendments to the Bend Code Relating to Procedures for Public Contracting and to make the amendments to the purchasing policy.

History:

Presented for consent agenda: May 2, 2007

Background:

The City Council reviewed the amendments to the Bend Code Relating to Procedures for Public Contracting (first reading) and asked that additional wording be added to the **ADA Statement 1.553 (7)** to include contractor's adherence to the ADA requirements. The additional wording is as follows:

The prospective contractor shall execute and provide a certification that it is in compliance with ADA in its employment practices, and that it shall perform its contractual obligations consistently with ADA federal requirements/regulations, state disability law, and applicable regulations.
